

Newhire Essentials

The following are few links & contact details that would help your acclimatization at Oracle

New Employee Check List - First Day	
New Hire Resources & Checklist	The below web page helps you to complete your first steps in Oracle quickly https://newhire.oraclecorp.com New employee portal tour : https://otube.oracle.com/media/New+Employee+Portal+Tour/0_e8n6vtpa
Obtain Single Sign-On (SSO) Username and Password	A Single Sign-On username and password is needed to access most internal resources including email, calendar, IM, web conferencing, MyOracle websites, Self Service Applications (expense reporting, procurement, time cards, and pay-slips) and Oracle Social Network (OSN). Your manager should verbally provide this login information, which is emailed to the manager from Oracle Identity Management (OIM) before your start date. If your manager didn't receive your login information, call the Global Help Desk (**600) and ask for a password reset. This will generate a new email to your manager with the login information.
Change SSO Password	To reset your SSO Password: Login to https://oim.oraclecorp.com 1. Click Corporate SSO Account under the Reset Passwords heading. 2. Old Password: Enter OLD password. 3. Password: Enter NEW password. 4. Confirm: Re-enter new password. 5. Click Submit Request.
Verify Employee Number and Setup Two Factor Authentication	Your Employee Number is necessary for accessing phone support from the Global Service Desk, obtaining a corporate card, signing up for a mobile device service plan, and to attend some web conference events. To obtain your Employee Number: 1. Navigate to Identity Self Service (OIM) https://oim.oraclecorp.com/identity/faces/home 2. Select My Information. 3. Your Employee Number appears under the Basic User Information heading. 4. Make note of your Employee number. While in OIM, you may add your Mobile Phone Number to enable Two-Factor Authentication (2FA) codes to be sent to you for accessing secure sites (such as web mail, IT Web, Vsupport for the VPN password reset tool) from outside the Oracle network, and provides access to install Next Generation Wi-Fi on your devices. Note: Providing your mobile number within OIM will not expose your number to other employees or customers.
Self Service Applications (SSA)	<u>Self-Service Apps (SSA)</u> provides access to the employee self-service database to perform various Self Service functions. SSA has the following default features: Me(Personal Information) , Expenses , Procurement Other Self-Service (GSI): OTL Timecard If any of the above is missing, please request access for the application/s by following the steps given in the below link: https://confluence.oraclecorp.com/confluence/pages/viewpage.action?spaceKey=OITGLOBAL&title=OIM+Account+Management
Setup Email, Calendar, Instant Message (Slack)	Oracle offers a variety of application choices to access your Oracle email, calendar and instant messaging (IM) accounts on a variety of laptops, mobile phones and tablets. Please refer the below link to review the tutorials to setup your email, calendar and instant messaging profiles. https://oradocs-prodapp.cec.ocp.oraclecloud.com/site/authsite/itweb/services/email-calendar-and-instant-messaging.html
View/Attend Your Organization's Orientation	In addition to region-based orientations, some organizations have their own set of orientation materials available to guide you through your start at Oracle. https://stbeehive.oracle.com/content/dam/st/NEChecklist/Public%20Documents/Reg/First%20Day/IN_At_tend_Organization_Orientation.html

New Employee Check List - First Week

Confirm Personal Information	Please confirm the accuracy of your personal and emergency information. Confidential personal and emergency information is only accessible by Oracle's HR organization and is not posted to Aria. To access and confirm your information: 1. Go to Self Service Applications (SSA). 2. Log in using your Single Sign-On (SSO) username and password. 3. Click Personal Information > Personal Details, Contact Information, and Family and Emergency Contacts to review your information. 4. Click the Edit (pencil) icon to make your updates. 5. Click Submit. The system only permits one round of changes in a 24-hour period. If you have questions or need assistance, please email newhires@oracle.com It may take up to 5 business days after your start date for access to be provisioned. If after 5 business days, you still do not have access to your personal information, please contact newhires@oracle.com Additional Video Resources: Change Address, Email & Phone https://otube.oracle.com/media/Change+Address%2C+Email+and+Phone/0_o4q6f2jz/2002 Update Emergency Contacts https://otube.oracle.com/media/Update+Emergency+Contacts/0_lqytjoi1/2002 Change Name and Marital Status https://otube.oracle.com/media/Change+Marital+Status/0_suzt9esc/2002
Update Connection Profile	Connections is Oracle's Employee Directory application. To update your profile: 1. Navigate to Connections https://eeho.fa.us2.oraclecloud.com/hcmUI/hcm/vp/directory (You may need to login with your SSO username and password.) 2. Enter your name in the Search box. 3. To edit your profile, in the upper right-hand corner of each editable section, you will find a pencil icon. 4. Click on the pencil and make your changes. 5. Save Changes at the bottom of the page. For assistance with updating content that is not editable, please review our HR Help article for further guidance.
Confirm Network Access Account and VPN Entitlement is Set Up	Oracle's Virtual Private Network (VPN), used for connecting to the Oracle network when working remotely or connecting to the "clear-corporate" wireless network inside Oracle locations, is a child entitlement under the parent Network Access Account (NAA). https://my.oracle.com/content/web/cnt2854410
Install Printers	To locate printers in any Oracle location, navigate to https://printers.oraclecorp.com and select your region and location. Click on a specific building within the displayed map, which will open a new window with the details of the printers available.
Request Your Telephone Account	Every Oracle employee needs to have a corporate telephone account for using the Cisco communications services that connects all employees globally. For more details please refer the link https://stbeehive.oracle.com/content/dav/st/NEChecklist/Public%20Documents/Reg/First%20Week/Manage_Your_Phones.html
Order Office Stationery	If you are in need of office supplies, navigate to the Global Procurement Video. (https://otube.oracle.com/category/Global+Procurement/2666) Channel where you can find short videos to help you through the process. Additional information can be found on the Global Procurement web site.

Download Additional Software	To download authorized software https://my.oracle.com/content/web/cnt2854376
Update Bank Account	To update bank account in HCM: 1. Go to Self Service Applications (SSA). 2. Log in using your Single Sign-On (SSO) username and password. 3. Click Personal Information > Payroll > Payment Methods >Manage 4. Click the Add button to make your updates. 5. Click Save and Close.
New Employee Check List - First Month	
Take Mandatory Training	All employees must complete online mandatory training within 60 days of joining 1. Anti-Corruption & Foreign Corrupt Practices Act (approx.. 45 minutes) 2. Ethics and Business Conduct (approx. 60 minutes) 3. Information Protection Awareness (approx. 60 minutes) 4. Global Workplace Harassment - (approx. 25 minutes) 5. Sexual Harassment Awareness Course - India (approx. 15 minutes) 6. Environment Health and Safety Awareness - EHS (approx. 45 minutes) Each employee is identified and assigned courses to be completed time to time The link for the above mentioned courses : https://my.oracle.com/site/hr/LearningDevelopment/compliance/index.html
Zoom for Web Conferencing	Zoom is an easy, reliable cloud platform that Oracle uses for audio, video and web conferencing, with desktop clients for Windows, MacOS and Linux, and mobile versions for Android and iOS. Zoom is automatically provisioned for all new employees and comes installed on Oracle computers. Get started with Zoom by reviewing this information. https://oradocs-prodapp.cec.ocp.oraclecloud.com/site/authsite/itweb/services/conferencing-and-collaboration/zoom.html
Protect Your Files using Oracle Cloud Storage	Use Oracle Content (Oradocs) to synchronize, view, download, share, and upload documents anytime via a desktop client, browser or mobile app. Storing all your important files in OraDocs ensures your files are protected should a data loss, hardware failure, or theft occur—because you have both a local and a cloud copy. Oracle Content desktop app is automatically installed on all Oracle computers. Get started and learn more by viewing the File Sync & Restore IT Web page. https://oradocs-prodapp.cec.ocp.oraclecloud.com/site/authsite/itweb/services/computers-and-software/file-sync-and-restore.html
Create Your Talent Profile	We are committed to having the best people in the industry working at Oracle. To ensure we support our talented employees on the path to success, we invest in career development and talent initiatives that enable employees to receive feedback, develop and grow. The first step in the process is to complete your Talent Profile. By completing your Talent Profile, you will clearly highlight your skills, qualifications and career aspirations to your manager and other leaders at Oracle who have the visibility into talent needs and opportunities in the business. Your Talent Profile will become the basis for ongoing, proactive, career development discussions between you and your manager. Complete your profile by reviewing and following the steps in the Talent Profile Guide. https://my.oracle.com/content/web/cnt2790149
Respond to the Global Onboarding Survey	Within 30 days of being in your new role, you will receive an email invitation from our third-party provider, Glint, via survey@glintinc.com to participate in the Global Onboarding Survey. The message will contain a link to your unique URL for survey access. Your feedback is very important and helps drive actions to improve the onboarding experience for our employees. This is your opportunity to share your experiences and observations. By raising opportunities for improvement, you provide Oracle the chance to address them for employees in the future.
